

# Join Rama Road PTA

## Parent Teacher Association

Dear Rama Families,

Welcome to a new school year at Rama Road Elementary School! The Rama Road PTA would like to tell you about our organization to help you be an advocate of your child's education. We also invite you to become a member of our PTA this year. Together we make a tremendous difference to the school. Thank you for your support and we look forward to a great school year! RAMA PROUD!

### What is PTA?

A Parent Teacher Association (PTA) is a volunteer group composed of parents, teachers, and staff that is intended to help parents and the community engage with our school, support curriculum, and show appreciation to the teacher and staff.

**Our Rama Road PTA is focused on creating the best possible educational experience so that the teachers, administrators, and staff can do their best work, so our children can too.**
